Sprinter, the Fifth Season hosted at Norristown Farm Park
Sunday, March 5, 2017 at 2:00pm

East Norriton, PA (February 15, 2017) – “Sprinter” is the time of the year between the end of winter and the beginning of spring. Nature’s timetable is moving along and there are subtle hints that spring is on the way. Sap is rising and birds are becoming more vocal. Come on a walk with staff to enjoy the fifth season. We’ll search for signs of spring to come.

This program is for adults and children ages 6 and older. It is a free program but pre-registration is required. To pre-register, call 610-270-0215. Meet at the park office.

Visit Norristown Farm Park online at: www.montcopa.org/norristownfarmpark.

Red-winged Blackbirds arrive in February
