Bluebird Box Building at Lower Perkiomen Valley Park
Saturday, March 11, 2017 at 1:00pm

Oaks, PA (February 22, 2017) – Lower Perkiomen Valley Park is hosting Bluebird Box Building on Saturday, March 11, 2017 at 1:00pm in the Main Pavilion. Bluebirds, a harbinger of spring, are busy scouting nesting locations, but are often outcompeted or displaced by other bird species. Join us for this program to help our local bluebird population by creating a bird box unique to their needs.

This Bluebird Box Building workshop is intended for adults and families with children ages 8 and up. Participants can assemble and paint a pre-cut bluebird box, which can be placed in a backyard. There is a \$5.00 suggested donation per box for supplies. Participants will use hammers and nails to build their box from a pre-cut design. All materials will be provided. Pre-registration prior to March 10, 2017 is required, as seating is limited. The workshop will be postponed to March 25th if there is inclement weather. Guests should call 610-666-5371 to register. Reservations will be taken on a first come, first served basis.

Lower Perkiomen Valley Park is located on New Mill Road in Oaks, PA, easily accessible from Egypt Road off Route 422. The park is open year-round, except for major holidays. For further information about this program, please call 610-666-5371, or visit our website at
