Planning Commission Board to Hear from Norristown Small Business Assistance Center July 10, 2013

Norristown, PA (July 8, 2013) – Representatives from the Norristown Small Business Assistance Center will attend the regular monthly meeting of the Board of the Montgomery County Planning Commission on Wednesday, July 10 at 11:00am to highlight recent successes and the positive impacts of those successes on new and existing businesses in Norristown.

The Norristown Small Business Assistance Center offers help to new and existing Norristown businesses in creating business plans, marketing plans, and advertising strategies. These services, which are free of charge for qualifying applicants, are also available to businesses looking to relocate to Norristown.

A micro-loan program helps businesses take the next step in putting their plans into action. Loan amounts range from \$2,500 to \$50,000, at 7% interest.

Center Director Ron Story says the services NBSAC provides to Norristown have a positive impact on local economic development, both for Norristown and for the region.

Montgomery County Planning Commission Board meetings are held on the second Wednesday of every month in the Montgomery Conference Room on the 2nd Floor of One Montgomery Plaza, across from the Montgomery County Courthouse. Meetings are open to the public – no preregistration is needed. For more information, please call (610) 278-3722.
