Green Lane Park Hosts “Winged Wonders – Monarch Butterflies”

Green Lane, PA (September 18, 2013) – Montgomery County’s Green Lane Park will host “Winged Wonders” a program on the Monarch Butterfly on Saturday, September 21, 2013 from 1:00pm to 3:00pm.

Join the staff at Green Lane Park as they welcome special guest Ann Ward for a close-up encounter with live butterflies.

Participants will learn about the life-cycle of these amazing long-distance fliers and how to help protect and attract monarch butterflies right in their own backyards. Guests will be hand-feeding, tagging, and releasing live butterflies that will migrate to Mexico to spend the winter. This program is suitable for all ages, and is offered free of charge.

The program will meet outside the park office in the Deep Creek Area of Green Lane Park, 2144 Snyder Road, Green Lane, PA 18054.
