Montco Commissioners Sponsor Paper Shredding Event in Ardmore

Norristown, PA (October 22, 2013) – The Montgomery County Commissioners in conjunction with the Waste System Authority of Eastern Montgomery County and Shred One Security Corp. are sponsoring a community paper shredding event on Saturday, October 26 from 9 a.m. to noon at Lower Merion High School, 315 East Montgomery Avenue in Ardmore.

Montgomery County residents who have paper and documents that should be shredded are encouraged to take advantage of this free event. No businesses are permitted. Residents are urged to make sure that the materials they present for shredding do not include plastic, cardboard, or metal. However, there is no need to remove staples, paper clips, hanging folders, etc.

“Shredding of documents has become important in our lives today for several reasons, not the least of which is the threat of identity theft,” said Josh Shapiro, chairman of the Montgomery County Commissioners. “We believe this service is useful, necessary, and will be appreciated by our residents, and we are very grateful to Shred One and the Waste System Authority for their assistance.”

Shred One regularly participates in community shredding events. The company’s mobile trucks perform all of the paper shredding as you watch. All shredded paper is recycled by Shred One and the company is currently recycling paper at a rate that saves over 70,000 trees annually.
