Green Lane Park to Host “Tree ID Made Easy” Walk
Saturday, February 15, 2014 at 1:00pm

Green Lane, PA (February 11, 2014) – Montgomery County’s Green Lane Park will hold a guided walk entitled “Tree ID Made Easy” on Saturday, February 15, 2014 at 1:00pm.

No leaves? No problem! While last year’s leaves are long gone, winter trees can be identified by using many other clues. The staff at Green Lane Park will share tips and tricks to identify native trees and shrubs using bark, twigs, and fruit as clues.

The program will meet outside the picnic pavilion in the Deep Creek Area of Green Lane Park. Participants should wear footwear suitable for snowy or muddy conditions.

This is a free program and is best suited for children eight and up and adults. Pre-registration is required. Please call 215-234-4528 to reserve a space.

For more information, please contact Kevin Crilley, Region 2 Environmental Educator, Montgomery County Division of Parks, Trails and Historic Sites, at 215-234-4528 or via email at kcrilley@montcopa.org.

Green Lane Park is located at 2144 Snyder Road in Green Lane, PA 18054.
