“These conversations with the commissioners are another in a series of ways we are trying to keep residents informed about what we are doing,” said Josh Shapiro, chair of the commissioners. “We also

live stream our meetings online and use social media a great deal to inform everyone about what is going on in the county.”

“We urge residents to attend these conversations so they can hear what we have tried to do during our first two years in office, and we can hear what issues are most important to our residents,” Shapiro said.
