Montgomery County Commission on Women and Families' National Women's History Month Luncheon

Plymouth Meeting, PA (March 12, 2014) – Each year, March is designated as National Women's History Month to ensure that the history of American women will be recognized and celebrated in schools, workplaces, and communities throughout the country.

This year's theme, *Celebrating Women of Character, Courage, and Commitment*, honors the extraordinary and often unrecognized determination and tenacity of women. Against social convention and often legal restraints, women have created a legacy that expands the frontiers of possibility for generations to come. They have demonstrated their character, courage, and commitment as mothers, educators, institution builders, business, labor, political, and community leaders, relief workers, and CEOs. Their lives and their work inspire girls and women to achieve their full potential and encourage boys and men to respect the diversity and depth of women's experiences.

To celebrate this important awareness month, the Montgomery County Commission on Women and Families will be presenting a luncheon at the Ballroom at the Plymouth Country Club on Thursday, March 27, 2014 from 11:30am to 1:00pm. During the luncheon, the Commission will be recognizing women of *Character, Courage, and Commitment*. The featured guest speaker will be Nancy Glass, the well-known producer, writer, talk show host, reporter, and anchor.

The cost of the luncheon is \$22 per person prior to the event or \$25 per person at the door. A portion of the proceeds will go towards a women's educational scholarship. Additional details about the event, including the registration form, may be found on the Montgomery County Commission on Women and Families' Facebook page: <https://www.facebook.com/events/237427233109975/> or by emailing mccwf@montcopa.org.
