Green Lane Park Offers “Footprints in the Snow” Program for Kids
Tuesday, February 3, 2015 at 1:00pm

Green Lane, PA (January 20, 2015) – Montgomery County’s Green Lane Park will host a program entitled “Footprints in the Snow” on Tuesday, February 3, 2015 at 1:00pm. This is the first installment of a new monthly kids’ program series entitled “Nuts about Nature.”

Many of the park’s animals only come out at night, but they leave lots of clues behind. Participants will look for tracks of deer, mice, foxes, and other creatures during this program designed for kids ages 4-6 accompanied by an adult. After a brief indoor program, participants will be outside looking for animal tracks and other “evidence.”

This is a free program, but pre-registration is required. Please call 215-234-4528 to reserve a space! The program will meet in the picnic pavilion in the Deep Creek Area of Green Lane Park located at 2144 Snyder Road, Green Lane, PA 18054.

For more information, please contact Kevin Crilley, Environmental Educator, Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites at 215-234-4528 or via email at kcrilley@montcopa.org.
