Lafayette Street Extension Project Public Meeting

Norristown, PA (February 18, 2015) – The Montgomery County Planning Commission (MCPC) and the Pennsylvania Department of Transportation (PennDOT) will hold a public meeting on February 23, 2015 for the next construction section of the Lafayette Street Extension Project. The meeting will take place from 5 p.m. to 7 p.m. in the cafeteria of the Colonial Middle School, 716 Belvoir Road, Plymouth Meeting, PA.

The next construction phase of the project involves widening and improvements to existing Ridge Pike, Conshohocken Road, Diamond Avenue, Fairfield Road, and Lucetta Street in Plymouth Township. Meeting participants will have an opportunity to view the scope of the planned construction and anticipated construction schedule and to speak with project team members.

The Lafayette Street Extension Project will significantly improve access to Norristown and its Main Street and riverfront as well as Plymouth Township's Ridge Pike and Conshohocken Road corridors, providing a transportation framework that will spur economic development.
