**Schwenksville, PA (March 23, 2015)** – Join in the fun as kids ages five and up come to Pennypacker Mills on Saturday, March 28, 2015 from 1:00pm to 3:00pm and make some very creative Easter and Spring crafts. Kids will make a three-dimensional card to share, a Le Peep box where they can view vintage images of little chicks, and mix up some interesting colors to create marbled eggs and a bouquet of spring flowers in their favorite colors. There will be a refreshment break where kids can try their hand at Bowling for Bunnies, a classic game that everyone will enjoy.

The fee is \$5.00 per child, accompanied by an adult. Please call the site at 610-287-9349 to check availability and provide credit card information to pre-register. The site is unable to accept participants on the day of the program.
