## **Montco Invites Public to Come Hear About the Exciting Future of Transit in Montgomery County**

**Norristown, PA (April 10, 2015)** – Montgomery County, in partnership with SEPTA, Greater Valley Forge Transportation Management Association, The Partnership TMA, and TransNet, is presenting “Your Transit Dollars at Work” on Thursday, April 16, from 6:00 p.m. to 7:30 p.m. in the meeting room at the Whitmarsh Township building, 616 Germantown Pike, Lafayette Hill.

The event will focus on the exciting future of transit in Montgomery County. Representatives from the Montgomery County Planning Commission, SEPTA, and local transportation management associations will be on hand to present information, answer questions, and listen to comments.

Participants will have an opportunity to learn about SEPTA’s draft capital plan with station improvements and system upgrades, current commuting alternatives, and Montco’s plan for the future as highlighted in *Montco 2040: A Shared Vision*, Montgomery County’s nationally awarded new comprehensive plan.

The public is invited to participate and see the impressive vision plan for transit in Montgomery County and to discover what new transit funding is doing for county citizens.
