Chipmunks and Squirrels at Norristown Farm Park
Wednesday, September 23, 2015 at 1:00pm

East Norriton, PA (September 16, 2015) – Squirrels and chipmunks are very busy at this time of the year. Take advantage of all that activity to sharpen those observation skills during the Chipmunks and Squirrels Program at Norristown Farm Park on Wednesday, September 23, 2015 at 1:00pm. Learn about the types of homes that squirrels and chipmunks make. Hear a story and make a craft. Take a guided walk to look for the signs that these animals leave behind.

This program is suitable for children ages three and older accompanied by an adult. Preregistration is required. Please call 610-270-0215 to preregister. The fee is \$5.00 per child.

Norristown Farm Park is located at Barley Sheaf Drive and Germantown Pike in East Norriton, PA 19403. The program will meet at the park office. Visit Norristown Farm Park online at:
