Wednesday Walk Series at Lower Perkiomen Valley Park – Nature Photography
Wednesday, October 21, 2015 at 9:00am

Oaks, PA (October 14, 2015) – Lower Perkiomen Valley Park is hosting a series of topical Wednesday walks, the last of which for 2015 is “Nature Photography” on October 21, 2015 at 9:00am starting from the Main Pavilion. Themed Wednesday walks occur the third Wednesday of the month, April through October. The pace is leisurely over flat, paved trails, and all ages are welcome.

During the month of October, park staff is calling on all nature photographers, or those who wish to be, to join them for a park ranger-led walk discussing photography in natural settings. Whether using a modern smartphone for capturing scenic shots and quality video, or a traditional camera, participants will learn tips for choosing the composition of a shot, zooming, and manipulating light. To practice, the park ranger will show budding photographers a few of the staff’s favorite places in the park.

This free event will occur weather permitting. Preregistration is preferred. Participants should wear comfortable shoes and come dressed for the weather. Lower Perkiomen Valley Park is located on New Mill Road in Oaks, PA, easily accessible from Egypt Road off Route 422. The park is open year-round, except for major holidays. For further information about this program, please call 610-666-5371, or visit the website at www.montcopa.org/lowerperkiomenvalleypark.
