Shapiro Receives Tri-County Chamber's 2015 Legislative Award; Arkoosh Participates in Panel Discussion on Regional Economic Development

Limerick, PA (October 21, 2015) – Montgomery County Commissioners Chair Josh Shapiro received the 2015 Legislative Award from the Tri-County Chamber of Commerce at the Chamber's Economic Development Luncheon today for his work to streamline economic efforts in Montgomery County and for his support of economic development efforts in the Pottstown area.

"I'm honored to be recognized by the Tri-County Chamber for our efforts to make it easy to do business in Montgomery County," said Shapiro. "This administration has taken a 'one stop shop' approach to economic development offering local businesses in areas like Pottstown, and all across our county, a single place in which to obtain and access a full range of business products and services through our Commerce Department. I'm thrilled to have our work recognized on a regional stage at today's event."

At the same luncheon, Commissioner Val Arkoosh joined commissioners from Berks and Chester Counties on a panel to discuss *Cultivating regional strength*.
