**Green Lane Park to Open 2016 Boat Quarantine Storage Registration**  
***Saturday, March 12, 2016***

**Green Lane, PA (March 7, 2016)** – Green Lane Park will begin taking registrations for Boat Quarantine Storage beginning on Saturday, March 12, 2016 at 8:30am. Visitors may register to store their boats at the Walt Road Day Use Area to meet the required quarantine guidelines to use Green Lane Reservoir. Registrations will be taken only at the Deep Creek Park Office.

Green Lane Reservoir is a restricted use lake. Only non-powered and electric-powered boats are permitted. All boats using Green Lane Reservoir are required to be quarantined on-site for a minimum of 10 days. The boat storage is located at the Walt Road Day Use Area. This requirement, established by Aqua PA, is to safeguard against the spreading of zebra mussels, an aquatic, non-native, invasive species. The fees for a boat rack or trailer space are \$75.00 for county residents and \$125.00 for non-county residents. The boat storage season is from April 1<sup>st</sup> to November 1<sup>st</sup>, 2016.

Registered boats may be brought in starting on Wednesday, March 23, 2016.
