JOSEPH C. GALE, *Commissioner*

FOR IMMEDIATE RELEASE: April 19, 2016

Conshohocken Road Detour Beginning Monday, April 25, 2016

Norristown, PA (April 19, 2016) – The second phase of the Lafayette Street Extension Project will require the closure of Conshohocken Road beginning on Monday, April 25, 2016 so that the contractor can realign Diamond Avenue with Conshohocken Road.

The closure will require a detour along Ridge Pike to Fayette Street in Conshohocken and will last about three months.

This detour marks another milestone in the on-going, multi-phase, \$100 million project that will eventually link Conshohocken Road directly to Lafayette Street and create a direct route into downtown Norristown; widen and improve Ridge Pike; rebuild and widen existing Lafayette Street in Norristown; and eventually create a turnpike interchange that will feed directly into Conshohocken Road and Lafayette Street.
