Green Lane Park to Host “Bugs and Blooms” for Photographers
Saturday, August 27, 2016 at 1:00pm

Green Lane, PA (August 22, 2016) – Montgomery County’s Green Lane Park will host a program entitled “Bugs and Blooms – A Photography Outing” on Saturday, August 27, 2016 at 1:00pm. Seek out late summer wildflowers and their insect guests in order to sharpen nature photography skills. Whether with a digital SLR camera or a smartphone, capture amazing images in local meadows!

Flowers such as aster, goldenrod, ironweed, and others should be in full swing, and those blooms draw lots of bees, butterflies, and other amazing insects and spiders. Participants should bring their camera of choice, drinking water, and a sense of adventure to this brand new program.

This free program is suitable for ages nine to adult. Preregistration is required. Please call 215-234-4528 to reserve a space.

The program will meet at the Church Road Fly-fishing Area, located on Church Road, 1.2 miles east of Kutztown Road.

For more information, please contact Kevin Crilley, Environmental Educator, Parks Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites, at 215-234-4528 or via email at kcirilley@montcopa.org.
