East Norriton, PA (January 31, 2017) – On Sunday, February 26, 2017 at 2:00pm come out to Norristown Farm Park and take a close look at maple trees, especially sugar maple. How did Native Americans and early settlers get their maple sugar? Hear a Native American legend about the discovery of sap. Learn about the history of sugar-making and how we make maple syrup from the sap of this special tree. Taste maple sugar and pure maple syrup and compare with commercial varieties. Maple candy will be available for purchase.
