Punch Needle Craft Workshop at Pennypacker Mills *Saturday, March 25, 2017 at 12:00pm*

Schwenksville, PA (February 15, 2017) – The art of needle punching is a craft technique of looping yarn, floss, or ribbon in a pattern through fabric. The looping gives the pattern a rug like appearance. Needle punching is used to embroider items, create wall hangings, ornaments, pillows, rugs, and other décor and crafts. Come to Pennypacker Mills on Saturday, March 25, 2017 from 12:00pm to 3:00pm in the Classroom Building where you’ll work with Betsy Smyth, an experienced instructor who will guide you through the steps to create a beautiful miniature work of art.

Participants will make a finished piece that resembles a miniature hooked rug which will fit into a 8” x 8” frame (not included). All supplies you will need are provided including an UltraPunch needle, hoop, weaver’s cloth, floss, and a pattern. Refreshments will be served. You are welcome to bring a bag lunch and drink if you wish.

The fee is \$50 per person. Pre-registration is required before March 3, 2017. To pre-register, call 610-287-9348 today.
