FOR IMMEDIATE RELEASE: April 7, 2017

Native Plant Sale at the Peter Wentz Farmstead

Saturday, May 13, 2017 from 10am-4pm

Worcester, PA (April 7, 2017) – Ready for spring? Join the staff of the Perkiomen Watershed Conservancy for a native plant sale at the historic Peter Wentz Farmstead on Saturday, May 13, 2017 from 10am-4pm. Follow the signs to the main parking lot, and then walk to the sale location to buy regionally-appropriate plants and also get some free expert advice on how to keep your garden healthy. After making your purchases, walk over to the historic area to learn about similar plants and their uses during the 1700s.

Native plants use less water, require less work, and provide year-round interest and benefit to wildlife. The sale will provide buyers with expert advice, free native gardening information, and a great variety of native vines, ferns, shrubs, trees, flowers, and grasses for sale. The Farmstead will also have a make & take sachet project for those that venture into the historic area to learn more about the site and uses of plants in the past.

For more information about this program and others, please call the Peter Wentz Farmstead at 610-584-5104 or visit www.montcopa.org/peterwentzfarmstead. The restored 18th century Pennsylvania German historic site is owned and operated by the County of Montgomery and receives support from the Peter Wentz Farmstead Society. The site is regularly open Tuesday through Saturday from 10:00am to 4:00pm and Sunday from 1:00pm to 4:00pm with guided tours on the hour. The Peter Wentz Farmstead is located at 2030 Shearer Road in Lansdale, PA 19446.
