## MONTGOMERY COUNTY BOARD OF COMMISSIONERS

VALERIE A. ARKOOSH, MD, MPH, CHAIR  
KENNETH E. LAWRENCE, JR., VICE CHAIR  
JOSEPH C. GALE, COMMISSIONER

**Contact:** Teresa Harris | Public Affairs Manager | 610-278-3062 | tharris@montcopa.org

### FOR IMMEDIATE RELEASE:

#### **Montgomery County Reports 117 New COVID-19 Cases and Six Deaths Over Three-Day Period *A Total Number of 8,319 Cases and 797 Deaths Have Been Reported***

**Norristown, PA (June 29, 2020)** – Montgomery County officials and the Office of Public Health (OPH) today reported COVID-19 test results and deaths for the three-day period June 27 to June 29. One hundred seventeen (June 27: 66, June 28: 22, June 29: 29) additional individuals tested positive for coronavirus, and six individuals died of COVID-19, bringing the countywide total to 8,319 cases and 797 deaths. Nineteen of the new cases are in long-term care facilities. None of the reported positive COVID-19 cases result from antibody testing.

“In an effort to focus on early detection and containment of any new outbreaks, the County has eliminated restrictions for testing so that anyone who needs or wants to be tested can be tested, whether or not they have symptoms. We have also expanded our contact tracing efforts to include a call back number for those who may have missed the call from our Department of Health regarding their results or status,” said Dr. Valerie A. Arkoosh, Chair, Montgomery County Board of Commissioners. “As the coronavirus continues to remain in our community, each of us must be personally responsible for our actions and work together to minimize the spread of COVID-19 in Montgomery County.”

All six individuals who died of COVID-19 resided in long-term care facilities, and their ages ranged from 62-years-old to 84-years-old. Of those individuals, five were female, and one was male.

The 117 positive individuals are from 37 municipalities. Sixty-one municipalities have been affected. A breakdown of today’s reported cases follows:

Age Range: 1 - 97  
Gender: 58 females, 59 males  
Hospitalized: (0) No, (115) Unknown, (2) Yes

The next update on COVID-19 cases and mitigation efforts will be on Tuesday, June 30, via a press release.

Montgomery County’s **drive-through COVID-19 testing** location on the Central Campus of Montgomery County Community College **will be open Tuesday, June 30 from 10 a.m. to 4 p.m., after which the site will be closed** with new walk-up testing sites to be announced this week. Testing will be available **by appointment only** for any individual who needs or wants to be tested and as testing supplies allow, weather permitting. No treatment

will be given on-site. For more information, to find out if the site is open or closed for the day, and to register for an appointment, visit [www.montcopa.org/COVID-19](http://www.montcopa.org/COVID-19) or call 610.631.3000, starting at 8 a.m.

**COVID-19 walk-up testing** is available at the Delaware Valley Community Health Center – **Norristown** Regional Health Center, 1401 Dekalb Street, Norristown. Testing is available Monday through Friday from 11 a.m. to 1 p.m. weather permitting, **by appointment only** and as testing supplies allow. Individuals who want to be tested can call 610.592.0680, starting at 8:30 a.m. or until all slots are filled plus a ten-person waitlist on the morning of the intended appointment. Spanish-speaking operators are available.

**COVID-19 walk-up testing** is also available at the Montgomery County Office of Public Health Center, 364 King Street, **Pottstown**. Testing is available Monday through Friday from 11 a.m. to 1 p.m. weather permitting, **by appointment only** and as testing supplies allow. Individuals who want to be tested can call 610.970.2937, starting at 8:30 a.m. until 10 a.m., or until all slots are filled on the morning of the intended appointment. Spanish-speaking operators and sign language interpreters are available.

While the above locations will be closed on Saturday and Sunday, information on **additional testing sites**, many of which operate over the weekend, can be found at [www.montcopa.org/COVID-19](http://www.montcopa.org/COVID-19) under the County Testing Information button.

COVID-19 contact tracing efforts are ongoing and are critical to slowing the spread of the disease. The County has partnered with ACLAMO, Family Services of Montgomery County, Montgomery County OIC, and Visiting Nurses Association Community Services to help with contact tracing efforts. Individuals who have been tested or identified as a direct contact of an individual who has tested positive for COVID-19 and has received a call from the ‘Results Center’ or any of our community partners may return the call to 610.278.5923 to find out their results or status. All information discussed on the call is strictly confidential and is only used to trace COVID-19 cases.

The COVID-19 outbreak continues to be a rapidly evolving situation. Please visit the Montco COVID-19 Data Hub at [www.montcopa.org/covid-19](http://www.montcopa.org/covid-19) to get the latest news, geographic and demographic information, and updates.
