### FOR IMMEDIATE RELEASE:

#### **Pennsylvania CareerLink® Montgomery County Will Move to a Newly Renovated Location in Norristown**

**Norristown, PA (July 23, 2020)** – The Pennsylvania CareerLink® Montgomery County, a proud partner of the American Job Center Network, is relocating from 1855 New Hope Street, Norristown, PA to a newly renovated location within the Human Services Center (HSC) at 1430 DeKalb Street, Norristown PA. The new office is scheduled to open to the public by appointment only on August 17, 2020.\*

The move will enable job seekers to access the multitude of health and human services that are offered in the HSC including Community Connections, Senior Services, the Office of Public Health, Veterans Affairs, the Office of Behavioral Health/Developmental Disabilities and Early Intervention, the Office of Children and Youth, and much more.

As job seekers face new challenges stemming from the COVID-19 pandemic, having additional services in the same building will help them connect to resources and resolve barriers faster. These mitigation efforts are paramount in promoting the return to family-sustaining employment as soon as possible. While the majority of previously offered on-site services will be available, access to the Unemployment Compensation (UC) phone line will remain suspended until further notice.

Until the public opening on August 17, 2020, PA CareerLink® Montgomery County's dedicated team remains ready to help businesses and job seekers recover remotely. Please contact (610) 270-3429 and follow the menu prompts to receive a return call based upon your needs.
