Pennypacker Mills presents
Spring Craft Workshops for Kids...Fun for All!

Schwenksville, PA (May 2, 2012) – Registration is now open for two outstanding children’s craft workshops for the spring at Pennypacker Mills. These popular children’s workshops are designed for children ages 5+, with help from a parent. All instructions and materials are provided to make Victorian cards and crafts that look over the top, but are easy to make. Refreshments will be served mid-way through the workshop in the Classroom Building.

Dads - want an easy and fun afternoon out with the kids to make Mom special cards and gifts with a decidedly Victorian look? Look no further! Pennypacker Mills’ Mother's Day Workshop for Kids on Saturday, May 12th from 1pm to 3 pm is a great way to make Mom feel special. Kids will use shiny ribbon and antique images to create a cascading card that will wow everyone, make a pincushion gift in a tea cup, layer doilies and fancy papers for a unique card, and make a decoupage picture frame. Each craft is special and easy to do, and will put a smile on Mom’s face!

Just in time for Memorial Day, kids can make awesome arts & crafts that are destined to be the centerpiece of any family gathering! On Sunday, May 27th from 1pm to 3 pm kids can participate in the Patriotic Workshop for Kids. Kids will make several crafts that will have a decidedly red, white, and blue theme. From stars to make-believe firecrackers, a wide variety of papers, pipe cleaners, and other art materials will be used to create imaginative crafts that are easy for kids to make.
The fee for each workshop is $5 per participant. Pre-registration and pre-payment are required. Call 610-287-9349 for information or registration. Don’t delay, these workshops fill up quickly!
