Royersford, Pennsylvania (June 11, 2012) - Come visit Upper Schuylkill Valley Park on Saturday, July 7 from 9:00am-1:00pm to learn about the fascinating world of reptiles. The park will be hosting reptile expert, Len Knapp's Reptirama.

This fun family event will include a live animal presentation, games and hands-on activities for kids. Mr. Knapp, of Sellersville, PA, has spent decades as a professional educator and has shared his understanding of and fascination with exotic reptiles at many different venues over the years. Before and after his presentation, visitors are welcomed to see the park’s new exhibit, Schuylkill Wilds, which features reptiles and critters that live along the Schuylkill River.

All ages are welcome for this family friendly event. There is a $4.00 per person suggested donation. A portion of the donation will go towards turtle preservation efforts. This event is weather permitting, as all of the activities will be held outdoors.

Upper Schuylkill Valley Park is located on Rt. 113 in Royersford, PA, directly across from Parkhouse (Montgomery County Geriatric Center). The park is open year-round, except major holidays.
