Enjoy this classic fall activity! First toss the apples into the shredder, then press them by turning the handle.

In goes the whole dried corn cob, off pop the corn kernels, and out comes the empty cob and guests are on the way to making feed for the animals!
Hundreds of kids make fun fall crafts at the All Hallow’s Eve Fall Festival.

What could be more fun than pumpkin painting? Kids choose their favorite pumpkin and then the artist in each one paints away!
