RELEASE: December 19, 2012

Little Hoots

East Norriton, PA (December 19, 2012) – On Tuesday, January 8, 2013 at 1:00pm there will be a “First Look” program about owls for children in the park office at Norristown Farm Park. First Look nature programs are offered twice a month at Norristown Farm Park. The schedule of classes is available at the park office. During the “Little Hoots” program kids will get a chance to touch owl feathers, examine an owl skull, and see owl pellets. They will hear a story and make an owl craft. A short walk to look for owl habitat will follow the indoor portion of the program.

This program is appropriate for children ages three and up with an adult helper. The cost is $5.00 per child. Pre-registration is required. Please call (610) 270-0215 to pre-register.
