**Recorder of Deeds Jeanne Sorg Accepts Holiday Donation
from Murray Funeral Home to Veterans ID Card Program**

Norristown, Pa, December 8, 2016 – Montgomery County Recorder of Deeds Jeanne Sorg accepted a \$300 donation from Murray Funeral Home in Flourtown to expand the popular and successful Veterans' Photo ID Card program that provides discounts to veterans at over 500 vendors throughout Montgomery County.

"We are extremely proud to continue to honor and support our dedicated veterans," Sorg said. "The Veterans ID card program has been very popular," Sorg added, "and is entirely funded by the generosity of community partners like Murray Funeral Home. With the holidays approaching," Sorg continued, "I am especially grateful for the support of business owners who make this program possible to honor our veterans."

Dennis Murray, Jr., Funeral Director of Murray Funeral Home, was proud to lend his support to the program. "I often have families who ask me where to obtain their loved one's DD214," he said. "I have been working with the Montgomery County Recorder of Deeds for years in this capacity, and," Murray added, "I am thrilled today to help support our veterans and their families." Murray Funeral Home is also now a participating merchant in our discount program.

To date over 7,000 IDs have been provided to Montgomery County veterans. These veterans have recorded their DD214s at the office of the Recorder of Deeds, and are able to present their Montgomery County Veteran ID to hundreds of businesses throughout the county that have agreed to provide a discount in appreciation of their service.

The Veterans' Photo IDs are available free at the Recorder of Deeds' office and take about ten minutes to process. All that is required to receive an ID is a copy of the DD214 and photo identification such as a driver's license.

A list of vendors who participate in the program is updated monthly, and can be found at the Recorder of Deeds website at www.montcopa.org/rod.
