Own a Business? Know a business that would like to participate in the Veterans' Identification Program?

A key part of our Veterans' Identification Program is the participation of county merchants offering a discount on goods and services to our veterans. Merchants provide discounts to veterans at a percentage of the cost or a specific dollar amount; see current merchant list for details.

Additionally, the Veterans' Identification Program is entirely funded by generous contributors like the John F. Murray Funeral Home, as no taxpayer dollars are spent on this program. We thank American Heritage Federal Credit Union and Republic Bank for their support this year as well. Merchants who would like to support our veterans may want to consider this option if their business is unable to offer a veteran's discount.

If you would like more information about either of these opportunities, please call us at 610-278-3289 or [click here to send us an email.](#)

It is the time of year for family visits and holiday celebrations, but for many it can also be a time of loneliness. Reach out to an old friend, check in on an elderly neighbor, or perform a random act of kindness for a stranger.

Share the joy of the season with those you love and be kind to each other. Happy Holidays!
