Clinical Psychologist with over 30 years of experience in treatment, program development, clinical management, training and supervision, with a background in both inpatient and outpatient settings. Areas of expertise include treatment of substance use disorders; individual, marital and family therapy; crisis intervention; group therapy; clinical and administrative consultation; teaching, training and supervision.

PROFESSIONAL EXPERIENCE

Private Practice of Addiction Psychology, Philadelphia, PA (1982-present)
Sole Proprietor
I have maintained a general psychotherapy practice, with a primary focus on addictions treatment, and secondarily on marital/family therapy. In addition to direct clinical work, I have provided consultation and training to drug companies on integrating psychosocial treatment in drug trials. I have provided consultation to the Treatment Research Institute, Eugenia Hospital, Alkermes, Resources for Human Development, The Massachusetts School of Professional Psychology, Hazelden Foundation, Bowling Green (Kentucky) Medical Center, The Coordinating Office of Drug and Alcohol Programs (Philadelphia), ChiSystems, Villanova University, and Malvern Institute.

Caron Treatment Center, Wernersville, PA (2007-2014)
Lead Psychologist for Adult Services.
Served as supervising psychologist for Adult Services in nationally-known addictions treatment center. Provided direct clinical service on Primary Care and Relapse units. Supervise psychology staff, interns, and psychiatry residents. Participate on treatment team and case conferences, and on various center-wide committees.

CareLink Community Support Services, Broomall, PA (2003-2006)
Clinical Director
Responsible for clinical oversight of 30 programs within non-profit social service agency, providing psychosocial rehabilitation services to a diverse array of consumers with psychiatric and other disabilities. Served as Corporate Compliance Officer, HIPAA Privacy Officer, Chair of Training Committee, and on several other committees.

Keystone Center, Chester, PA (1999-2001)
Clinical Director
Oversaw all clinical services in 84-bed dual-diagnosis treatment facility. Supervised 23 professionals and provided liaison with other departments. Developed clinical protocols, organized staff training, provided direct supervision, oversaw credentialing and licensing activities. Chaired Performance Improvement Committee and revised Performance Improvement Program. Initiated program of patient self-government. Developed staff competency system. Monitored compliance with standards of the Office of Mental Health, the Bureau of Drug and Alcohol Programs, and oversaw successful accreditation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

Clinical Director
Provided clinical leadership to federation of three social service agencies that delivered clinical services to 230,000 capitated insurance subscribers. Developed clinical and quality management protocols, oversaw staff credentialing and Access Center operations, and managed various operational functions. Implemented clinical standards for treatment across a network of agencies throughout Southern New Jersey.
Brandywine Hospital, Coatesville, PA (1995-1998)
Director of Psychological Services
Developed and managed 24-hour crisis service. Provided direct clinical services on psychiatric unit, including group, family and individual therapy, case management and psychological assessment. Coordinated services of attending psychology staff. Created, marketed, and managed crisis service, resulting in four-fold increase in referrals and 200% increase in inpatient census. Developed policies and protocols; trained and supervised staff of 11 clinicians. Developed and implemented substance abuse treatment program on inpatient ward.

Director
Managed outpatient and partial hospital substance abuse program. Revised programs, supervised staff, coordinated outreach and marketing. Returned program to fiscal break-even point after five years of financial losses. Developed ambulatory detox program and directed relocation of program to coordinate with inpatient detox. Appointed Assistant Professor of Psychiatry, providing training and supervision on substance abuse issues for residents and students. Wrote Partial Hospitalization protocols for Pennsylvania Client Placement Criteria as member of Pennsylvania Department of Health Treatment Task Force. Initiated Professional Training Series, providing PCACB-accredited training for more than 100 clinicians.

Program Director
Developed and managed two programs providing substance abuse treatment under a 300,000-life capitation contract. Supervised staff at both locations and provided direct treatment and consultation. Designed clinical program, hired and trained staff, and oversaw innovative outpatient programming. Supervised staff training and development for all four offices, including more than fifty staff members, leading to JCAHO accreditation and state licensing. Founding member of Pennsylvania Association of Intensive Outpatient Programs, advocating for increased patient access to treatment alternatives.
