## #RecorderOnTheRoad - Upcoming Mobile Events

On March 23, Montgomery County Recorder of Deeds Jeanne Sorg took her Veterans' Discount Identification Program on the road to **State Rep. Steve McCarter's district office in Glenside**. "This was one of our busiest Veterans' ID Events," said Sorg. "We served 110 veterans,"

she added, "and we are grateful to our partners like Rep. McCarter for hosting our program." Veterans' discharge paperwork was recorded, and each veteran received a discount identification card entitling them to discounts from almost 500 participating merchants across Montgomery County and the region.
