

#RecorderOnTheRoad - Mobile Events

On April 22, Montgomery County Recorder of Deeds Jeanne Sorg was pleased to participate in the 26th **Annual International Spring Festival** at North Penn High School. Her Veterans' Discount ID Program attracted almost 50 veterans, each of whom had their discharge paperwork recorded and received a Veterans' Discount Identification card on the spot. "I truly appreciate being able to bring the Veterans' Discount ID program on the road to our Montgomery County veterans," said Sorg. "We take pride in safeguarding this important paperwork for them," she added, "and the continued success of the program would not be possible without the support we have received from the community, both as host partners and contributors."

The Veterans' Discount ID card entitles MontcoPA veterans to discounts from almost 500 participating merchants. Veterans need to bring their DD214 and a photo id with them to receive a Discount ID Card.
