News You Can Use: PA Treasurer Seeks Owners of \$2.3 Billion in Unclaimed Property

Pennsylvania Treasurer Joe Torsella has announced the names of 1 in 10 Pennsylvanians who are owed unclaimed property by the Commonwealth. Sources for these funds include abandoned bank accounts, forgotten stocks, and uncashed checks. Last year Torsella's office reunited owners of \$175 million in property. Do not be duped by misleading mailers from companies claiming to help you find your unclaimed assets. There is no charge to check if you are entitled to any unclaimed funds, and no charge to claim the property. Look for your name at PATreasury.gov/claim. If you need assistance, contact the PA Treasurer's office, or your State Senator or State Representative.
