Lower Perkiomen Valley Park (LPVP) and adjacent Trails:
Please note that the regional trails are continually being repaired from storm damage and regular wear and tear. Trail users are expected to exercise caution and heed all signs posted for their own safety and that of the people performing the work. Trails may close at any time due to conditions. Water fountains are turned off. Projects for PECO and PennDOT may result in trail closures/detours. These will occur near the Montgomery County Intermediate Unit/Barbados Street in Norristown. This work has begun and will continue until December. Please use caution. Due to the project on Lafayette Street in Norristown, the Schuylkill River Trail (SRT) can be impacted. Please observe the dismount signs as you approach Ross Street.

LPVP—The Park, including most amenities, is open. Water fountains are turned off. The office is open by appointment, call 610-666-5371 or e-mail Lowerperkiomenvalley@montcopa.org. We will continue to respond to e-mails and phone calls during normal weekday hours of 8:15 - 3. A piece of playground equipment was destroyed during storms. It will be replaced. Pavilion rentals are being accepted. Park users can now check open dates and reserve their pavilion themselves online! The on-line reservation system reserves your pavilion as soon as the transaction is complete. If you do not see the pavilion you want or the date you want, it is most likely booked/unavailable. Summer weekends are already very full. See the link on our webpage to recdesk.

Upper Schuylkill Valley Park (USVP):
The Park is open. Buildings will close at intervals for cleaning. Water fountains are turned off. Please join us for in person and virtual programs. There are many upgrades to enclosures happening on site. Please be aware of work in progress. Please respect all signage and directions.
