

Georgian Dinner Registration

Saturday, August 11th 4-7pm at Pottsgrove Manor

Taste an evening of history! Historic foodways expert, Deb Peterson, is serving a taste of the best dishes from the 18th century. Peek into the kitchen to see the food prepared and then enjoy dinner served in the finest Georgian style. Simple starters of fine breads and cheeses compliment the delicious fire roasted beef and tarts for dessert. There's even macaroni and cheese, colonial style! Dinner guests are encouraged to wear 18th century historic dress or business casual.
