Announcing

Critical Incident Stress Management Training

CISM: ASSISTING INDIVIDUALS IN CRISIS

DATE: November 7 & 8, 2018
TIME: 8:15 AM – 4:30 PM (Registration at 8:00 AM)
LOCATION: Montgomery County
Public Safety Training Campus, Room 101/102
1175 Conshohocken Road, Conshohocken, PA 19428

Jointly Sponsored by:
PA Department of Health, Bureau of Public Health Preparedness
PA Department of Human Services, Office of Mental Health
and Substance Abuse Services

THERE IS NO CHARGE FOR THIS PROGRAM.

Funding for this training was made possible (in part) by the Centers for Disease Control and Prevention and/or Department of Health and Human Services Assistant Secretary for Preparedness and Response. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices or organizations imply endorsement by the U.S. Government.
Program Description
Crisis Intervention is NOT psychotherapy; rather, it is a specialized acute emergency mental health intervention which requires specialized training. As physical first aid is to surgery, crisis intervention is to psychotherapy. Thus, crisis intervention is sometimes called "emotional first aid". This program is designed to teach participants the fundamentals of, and a specific protocol for, individual crisis intervention. This course is designed for anyone who desires to increase their knowledge of individual (one-on-one) crisis intervention techniques in the fields of Business & Industry, Crisis Intervention, Disaster Response, Education, Emergency Services, Employee Assistance, Healthcare, Homeland Security, Mental Health, Military, Spiritual Care, and Traumatic Stress.

Program Highlights
- Psychological crisis and psychological crisis intervention
- Resistance, resiliency, recovery continuum
- Critical incident stress management
- Evidence-based practice
- Basic crisis communication techniques
- Common psychological and behavioral crisis reactions
- Putative and empirically-derived mechanisms
- SAFER-Revised model
- Suicide intervention
- Risks of iatrogenic “harm”

Program Objectives
As a result of this meeting and training, the participants will be able to:
1. Describe the nature of and define psychological crisis and psychological crisis intervention.
2. Describe the nature of and definition of critical incident stress management and its role as a continuum of care.
3. Practice and apply basic crisis communication techniques, as well as the SAFER-Revised model of individual psychological crisis intervention.
4. Relate how the SAFER-Revised model may be altered for suicide intervention.
5. Discuss the risks of iatrogenic “harm” associated with psychological crisis intervention and how to reduce those risks.

Targeted Audience
Staff who work in, but not limited to, fields of Crisis Intervention, Disaster Response, Education, Emergency Services, Healthcare, Homeland Security, Mental Health, Military, Spiritual Care, and Traumatic Stress.

Faculty
Barbara J. Ertl, MS
Ertl and Associates, CEO, Trainer and Consultant
International Critical Incidental Stress Foundation (ICISF), Inc. Faculty Member

- Click the **Withdraw** button.
- Click the **Withdraw** button.
ICS-300 Intermediate ICS for Expanding Incidents

ICS-300 Intermediate ICS for Expanding Incidents is designed to provide overall incident management skills rather than tactical expertise. The course will cover the implementation of the incident management process on type 3 incidents; define a type 3 incident, and the development of an Incident Action Plan. Determining capabilities to match incident complexity will be discussed. Learn how to add appropriate ICS positions to match the complexity of the incident will be explored. The use of the Incident Management Teams will be discussed.

PRE-REQUISITES
- IS-100: Incident Command System
- IS-200: ICS for Single Resources and Initial Action Incidents
- IS-700: National Incident Management System (NIMS) An Introduction
- IS-800: National Response Framework, An Introduction

Winter SKYWARN Spotter Course

at
Luzerne County EMA
185 Water St. Wilkes-Barre, PA 18702
November 13th, 2018 from 6:30pm to 8:30pm

Objective: To train storm spotters about winter storms and what to report to the National Weather Service (NWS) and Emergency Management relating to snow, ice, rain and flooding.

Topics Include: Information on SKYWARN and its goal, the NWS mission and the importance of spotters and ground truth reports and examples of how spotters can help forecasters warn the public; winter weather hazards, winter weather terminology, winter storms including snowstorms, blizzards, lake effect snow, rainstorms, flooding and ice storms, winter weather and flood safety, how to get winter weather information and procedures for reporting snowfall, ice, flooding and rainfall to the NWS.

Who Should Attend: Individuals who are interested in becoming SKYWARN weather spotters, feeding valuable information to the National Weather Service. SKYWARN spotters are independent of any government agency and are not by definition “Storm Chasers”.

For more information and to register, please visit the National SKYWARN homepage at http://www.skywarn.org
