

## PA CareerLink® Montgomery County: Recruitment Services

The **Business Services Team (BST)** located at the PA CareerLink® Montgomery County helps employers from all industries identify qualified candidates to meet their workforce needs.

A BST member can assist an employer with recruitment of qualified applicants at **no cost** by

- Leveraging PA CareerLink® online with access to thousands of job seekers
- Engaging with job seekers including those that recently received a certification from a skills training program
- Coordinating on-site recruiting events
- Pre-screening applicants
- Pre-testing applicants, if testing is required
- Evaluating candidates for their basic skills
- Offering training opportunities to candidates interested in improving their marketable skills and job readiness

As an employer receiving free recruitment services with the Business Services Team, you will be able to

- Receive a list of qualified, motivated candidates
- Post job openings easily on the state-wide PA CareerLink® system
- Access labor market information
- Identify training needs and possible eligibility for training and wage reimbursements
- Participate in county-wide job fairs\*
- Utilize interviewing space\*

\*May involve a small fee
