Important Information

Please review the following information:

- Not all cases can be paid through PAePay . Therefore, you may have other outstanding financial obligations with the courts of the Commonwealth of Pennsylvania that do not appear in PAePay.
- Individual courts may restrict certain individuals or cases from online payment. Certain types of cases will also be restricted from online payment.
- Failure to pay your amount due on any cases or payment plan may not prevent further court action and could result in the issuance of a warrant or suspension of your driver's license. When making a payment, if you cannot pay in full, your total payment must still be satisfied by any court mandated due date.
- The processing of payments is dependent upon the individual court to which the payment has been made. Please submit any payments that are time-sensitive with enough time to process the payments. Payments submitted without sufficient processing time may not prevent further court action.
- Only Traffic, Non-Traffic, Summary, Summary Appeal and Criminal cases can be paid through PAePay. If you choose to plead not guilty to a traffic citation, you must attend a hearing and you will not be able to use PAePay until the case is fully disposed.

Any questions regarding your cases, payment obligations, and due dates should be directed to the court where the case was filed.
