### PARKING IN AMBLER

Because Ambler has the busiest train station on the R5 rail line, we use meters for regulating parking. When commuters park their cars all day in the downtown, they take spaces away from our shoppers and visitors. The meters will help free up convenient spaces for shoppers and other visitors. That's the why of meters, now here's how to take advantage of them:

#### AMPLE NUMBER OF SPACES

247 spaces in the three Borough lots  
146 spaces on the street within one block of downtown.

#### THREE CONVENIENT LOTS

On Lindenwold at Butler Ave., Cavalier at Butler Ave., and Butler at the Train Tracks

#### BARGAIN RATES

SUNDAYS AND AFTER 6 PM ARE ALWAYS FREE.

WEEKDAYS ARE ALSO FREE FROM 12-2PM

Fifty cents buys you 1 hour of parking on all meters
