

To support Montgomery County families and child care providers during the COVID-19 pandemic, the Montgomery County Board of Commissioners has launched the Montco Cares Program. The Montco Cares Program is being administrated by the Early Learning Resource Center, Region 17.

### FAMILIES:

This program can help provide Montgomery County families with financial support to assist them in paying for child care for children enrolled in a PA DHS licensed child care facility. **All applications are due by November 2, 2020.**

### Eligibility Requirements:

- Families must have a gross medium income less than 100 % of the area median
- Applicants must reside in Montgomery County
- Applicants will be requested to submit documentation to verify eligibility
- Maximum payment amount of \$40.00 per service day will be paid per child, per day—not to exceed \$2,480.00 or 62 service days from Oct. 5th—Dec. 30th.
- Payments will be paid directly to providers

### PROVIDERS:

The Montco Cares Program will ensure the financial viability of Montgomery County child care programs that have experienced disruption due to the COVID-19 global pandemic. **All applications are due by November 2, 2020.**

### Eligibility Requirements:

- Program must be a 501(c)(3) or for-profit entity, licensed by the PA Department of Human Services, that was in operation on or before March 1, 2020 and must be located in Montgomery County, PA
- Program must have a licensed capacity not greater than 600 children
- Programs that are in active default with taxes or fees owed to local, county, state and/or the federal government may not apply
