

Workforce Housing Series Receives Planning Award

The Montgomery County Planning Commission received a *2008 Planning Excellence Award for Public Outreach* from the Pennsylvania Chapter of the American Planning Association (APA) for promoting the workforce housing series. The association recognized that the informative series provides concrete suggestions for improving workforce housing around Montgomery County. The conciseness and attractiveness of the reports make them appealing to a variety of community leaders. The award is one of several the planning commission has received over the years.
