

2021 County Transportation Program Grants

Hatboro – Jacksonville/Meadowbrook Crossing Improvements

Hatboro Borough will fund the installation of two school zone flashers and four pedestrian signal poles at the intersection of Jacksonville Road and Meadowbrook Avenue, in the vicinity of Crooked Billet Elementary School. County Transportation Program Grant Award: \$142,748

Hatfield Borough – Liberty Bell Trail Pedestrian Crossing

Hatfield Borough will fund the installation of a pedestrian flashing signal along Route 463 (South Main Street) near Chestnut Street to facilitate the safe crossing of the Liberty Bell Trail, including a rapid flashing beacon and advance warning signs. County Transportation Program Grant Award: \$84,560

Narberth – Windsor Avenue Green Stormwater Bumpouts

Narberth Borough will fund the installation of four vegetated stormwater bumpouts along Windsor Avenue at Conway Avenue, Essex Avenue, Forrest Avenue, and Hampden Road. County Transportation Program Grant Award: \$100,000

North Wales – Center Street Pedestrian Connection

North Wales Borough will fund a rapid flashing beacon to facilitate a pedestrian crossing of Center Street at Walnut Street, in addition to updated ADA curb ramps and alley pavement restoration. County Transportation Program Grant Award: \$61,080

Royersford – 6th and Main Pedestrian Crossing

Royersford Borough will fund the installation of four rapid flashing beacons and pavement striping to allow for safe pedestrian crossing of Main Street and 6th Avenue. County Transportation Program Grant Award: \$79,275

Schwenksville – Main Street/Game Farm Road/Park Avenue Signal Modernization

Schwenksville Borough will fund the replacement of the traffic signal at the offset intersection of Main Street with Game Farm Road and Park Avenue, including emergency pre-emption and pedestrian countdown timers. County Transportation Program Grant Award: \$244,801

Upper Dublin – Virginia Drive/Camp Hill Road Signalization

Upper Dublin Township will fund the installation of a traffic signal at Virginia Drive and Camp Hill Road, allowing for full turning movements at the intersection. County Transportation Program Grant Award: \$275,000

Upper Providence – Troutman/Ashenfelter On-Road Trail

Upper Providence Township will fund the installation of a wider shoulder and crossing pavement markings along Troutman and Ashenfelter Roads to be used as part of the township's larger trail network. County Transportation Program Grant Award: \$86,000
