Public Safety News Information Sheet

What is Public Safety News?

Public Safety News, often referred to as PSN, is the monthly newsletter produced by the Montgomery County Department of Public Safety. It has been published since 2002 and is now in its 21st year in print.

Public Safety News contains important announcements from the Department of Public Safety for municipal responders, as well as training announcements, career opportunities, and other significant updates.

What are the Monthly Notices?

The Monthly Notices are formatted as a merged PDF that includes announcements for community events, training/education opportunities, fundraisers, and job offerings. Some content is provided by the Department of Public Safety, but most is received from municipalities and partner agencies. The notices are posted on the Department of Public Safety website along with PSN.

How do I receive alerts when PSN is available?

PSN and the Monthly Notices are typically made available on the department website on the last business day of each month. An email alert is sent to subscribers as soon as the newest editions are posted. The email contains a link to access the newsletter, as well as a listing of articles in the current edition. If you would like to begin receiving alerts, please contact us using the information below.

How do I access past Public Safety News or Monthly Notices?

Past editions of the Public Safety News and Monthly Notices are available on the following webpage: https://www.montcopa.org/1527/Public-Safety-News.

My organization or department has something to share. How do we do it?

The Department of Public Safety has a lot of information to share, but we are always looking for news from our municipal responders! If you have a story, training or career opportunity, or newsworthy event, please contact us using the information below.

I have some additional questions. How do I contact you?

Law Enforcement Training
2022
EVOC Schedule

January - December
The Montgomery County Department of Public Safety in conjunction with the Montgomery County Chiefs of Police and the Montgomery County District Attorney are offering and/or hosting the Law Enforcement Training Course listed in this training Schedule. All training will be conducted at the Public Safety Training Campus (PSTC) unless stated otherwise.

March 9, 2022 EVOC YEARLY INSTRUCTOR TRAINING/MEETING
In preparation for the upcoming EVOC training schedule, all current certified EVOC instructors will receive updates and review of training to be provided.
EVOC INSTRUCTORS ONLY

Start Time: 1000 End Time: 1530

April 27, 28, 29, 2022 POLICE MOTORCYCLE OPERATORS RE-CERTIFICATION #1
This Montgomery County Chiefs of Police EVOC Program Course is a three (3) day course designed for officers who have already completed the Basic Police Motorcycle Operator Certification course. This course will provide these officers with an opportunity to update the skills they learned in the basic course. Students must attend all three days to receive their recertification. Students must also successfully complete written and practical exams to receive certification for the course. Note: Students attending must bring a police department motorcycle. Pre-registration required.
- Start Time: 0800 End Time: 1630
- DVIT members MUST register with DVIT to get tuition funding for this course

April 27, 2022 EVOC for SUV’s #1
This Montgomery County Chiefs of Police EVOC Program Course is a one (1) day course designed for officers who routinely are assigned to drive a SUV or prisoner transport vehicle. This course will provide these officers with an opportunity to apply the skills they learned in the Basic EVOC course while driving a larger vehicle. Defensive Driving techniques and Emergency Response tactics will be demonstrated to and practiced by those attending. The course will be 1/2 day of behind the wheel driving skills that will include response course as well as a skill course that will include backing. Students must successfully complete written and practical exams to receive certification for the course. Note: students attending the SUV course must bring a police department owned SUV or prisoner van to drive on the driving range.
- Start Time: 0800 End Time: 1630
- DVIT members MUST register with DVIT to get tuition funding for this course
- Tuition for Non-DVIT Members is $50.00 for In County Agencies and $65.00 for Out of County Agencies
- Non-DVIT members can register with Karen Zero as detailed below

May 11, 2022 EVOC for SUV’s #1
This Montgomery County Chiefs of Police EVOC Program Course is a one (1) day course designed for officers who routinely are assigned to drive a SUV or prisoner transport vehicle. This course will provide these officers with an opportunity to apply the skills they learned in the Basic EVOC course while driving a larger vehicle. Defensive Driving techniques and Emergency Response tactics will be demonstrated to and practiced by those attending. The course will be 1/2 day of behind the wheel driving skills that will include response course as well as a skill course that will include backing. Students must successfully complete written and practical exams to receive certification for the course. Students attending should report to the PSTC, in old clothes.
NOTE: students attending the SUV course must bring a police department owned SUV or prisoner van to drive on the driving range.

- Start Time: 0800   End Time: 1630
- DVIT members MUST register with DVIT to get tuition funding for this course
- Tuition for Non-DVIT Members is $50.00 for In County Agencies and $65.00 for Out of County Agencies
- Non-DVIT members can register with Karen Zero as detailed below

May 17, 2022 & September 20, 2022  DVIT DEFENSIVE DRIVING: CARS
This course consists of four hours in the classroom and four hours of practical driving skills. The goal of the course is to train sedan drivers in collision prevention techniques. In teaching these techniques, the course also promotes an attitude of mutual understanding, courtesy and cooperation on the road. Topics covered include: general backing techniques, foul weather driving, crash avoidance, parking lot driving and braking techniques.

NOTE: Attendees should bring a sedan vehicle to class in order to participate in the practical evolutions. Student must be at least 18 years of age and possess a valid Pennsylvania Operator's License.

- Start Time: 0800   End Time: 1630
- DVIT members MUST register with DVIT to get tuition funding for this course
- Tuition for Non-DVIT Members is $50.00 for In County Agencies and $65.00 for Out of County Agencies
- Non-DVIT members can register with Karen Zero as detailed below

May 19, 2022  DVIT DEFENSIVE DRIVING: TRUCKS
June 2, 2022
September 22, 2022
October 6, 2022
This course consists of four hours in the classroom and four hours of practical driving skills. The goal of the course is to train truck drivers in collision prevention techniques. In teaching these techniques, the course also promotes an attitude of mutual understanding, courtesy and cooperation on the road. Topics covered include: general backing techniques, foul weather driving, crash avoidance, parking lot driving and braking techniques.

NOTE: Attendees should bring a work truck to class in order to participate in the practical evolutions. Students must be at least 18 years of age and possess a valid Pennsylvania Operator's License (CDL if applicable).

- Start Time: 0800   End Time: 1630
- DVIT members MUST register with DVIT to get tuition funding for this course
- Tuition for Non-DVIT Members is $50.00 for In County Agencies and $65.00 for Out of County Agencies
- Non-DVIT members can register with Karen Zero as detailed below

June 1, 2022  EVOC SKILLS for SVU’S #2
This Montgomery County Chiefs of Police EVOC Program Course is a one (1) day course designed for officers who have already completed a Basic EVOC course, including police academy training. (This class is open to Montgomery County Police Officers ONLY.) Students will exhibit an understanding of proactive driving, (using superior knowledge to avoid situations requiring superior skills). Participants will develop a better understanding of their individual abilities to effectively operate an SVU on patrol and during emergency driving situations. Students will have a rudimentary understanding of vehicle dynamics as they apply to vehicle and driver. Students must successfully complete written and practical exams to receive certification for the course.
Students attending should report to the PSTC in old clothes.

- Start Time: 0800   End Time: 1630
- Tuition for this course is $50.00.
- DVIT members MUST register with DVIT to get tuition funding for this course
- Non–DVIT Members can register with Karen Zero as detailed below

General Announcements and Information
Regional Town Hall Meeting July 2022

The Future of the Pennsylvania Fire Service / Next Generation

PFESI is conducting a series of open Town Hall style meetings with members of the Pennsylvania Fire Service. Our goal is to seek local input and ideas on how we can effectively prepare for the current and future challenges facing our organizations. Examples of Topics for Discussion:

- Act 91, Junior Firefighting, Relief Association Modernization
- Fire Training and Education
- Recruitment & Retention
- Local Government / VFD Relationships

Members of the Office of the State Fire Commissioner will be attending.

Dates / Locations:  Time: 6:30 PM to 9 PM

Monday November 7, 2022

Montgomery County

- Montgomery County Fire Academy
  - 1175 Academy Drive
  - Conshohocken, PA 19428

For more information, please call Jerry Ozog at 717-497-5306 or jozog@pfesi.org
Gladwyne Fire Company, of Lower Merion Township, is a progressive combination department that runs a diverse area of Montgomery County. First due to rolling greens and historic homes, Gladwyne responds to mutual aid calls across all of Lower Merion, into busy areas of Conshohocken, Plymouth, Upper Merion, Norristown, and Delaware County. Gladwyne features a PEMA Level II deployable swift water rescue team, large interstate response area to I76 and I476, with aggressive training and incident cultures.

Amenities:

LETS TALK ABOUT: FIRST RESPONDER
HEALTH & WELLNESS
Montgomery County Department of Public Safety
Division of EMS & Office of the Medical Director

HOW DOES STRESS IMPACT FIRST RESPONDERS?
Ø 85% of first responders have experienced symptoms related to mental health distress.
Ø Depression and PTSD are up to 5 times more common in first responders.
Ø The COVID-19 pandemic has increased stressors that first responders experience daily.

HOW CAN WE REDUCE STRESS?
Exercise, sleep, mindfulness, and talking about what’s on your mind are all helpful in reducing stress. Mental health practitioners and trained peers may be able to confidentially help you alleviate stressors from work and life.

Frequently Asked Questions about NARCAN® (naloxone HCl) Nasal Spray

Shelf-Life Extension and Updated Storage Conditions

What is NARCAN® Nasal Spray?
- NARCAN® Nasal Spray is a prescription medicine used for the treatment of a known or suspected opioid overdose emergency with signs of breathing problems and severe sleepiness or not being able to respond.
- NARCAN® Nasal Spray is to be given right away and does not take the place of emergency medical care. Get emergency medical help right away after giving the first dose of NARCAN® Nasal Spray, even if the person wakes up.

Please see Important Safety Information below

Who should not use NARCAN® Nasal Spray?
Do not use NARCAN® Nasal Spray if you are allergic to naloxone hydrochloride or any of the ingredients in NARCAN® Nasal Spray.

What is the new shelf life of NARCAN® Nasal Spray?
NARCAN® expiration will now be changed from 24 to 36 months.

Will current, on-market NARCAN® Nasal Spray’s expiration be extended an additional 12 months?
The FDA has approved the 36-month shelf life after completing a comprehensive review of data which included all versions of NARCAN®. Since this study was conducted using all versions of NARCAN®, any product previously released with a 24-month shelf life can now be extended for an additional 12 months.

What are the updated storage conditions for NARCAN® Nasal Spray?
Current Label: Store NARCAN® Nasal Spray in the blister and cartons provided.
Store at controlled room temperature 68°F to 77 °F (20°C to 25°C).
Excursions permitted between 41°F to 104°F (5°C to 40°C).
Do not freeze or expose to excessive heat above 104°F (40°C). Protect from light. NARCAN® Nasal Spray freezes at temperatures below 5°F (-15°C). If this happens, the device will not spray. Leave the device at room temperature for 15 minutes to thaw the medicine before use.

New Label: Store NARCAN® Nasal Spray in the blister and cartons provided.
Store below 77°F (25°C). Excursions permitted up to 104°F (40°C).
Do not freeze or expose to excessive heat above 104°F (40°C). Protect from light.
NARCAN® Nasal Spray freezes at temperatures below 5°F (-15°C). If this happens, the device will not spray. If NARCAN® Nasal Spray is frozen and is needed in an emergency, do NOT wait for NARCAN® Nasal Spray to thaw. Get emergency medical help right away. However, NARCAN® Nasal Spray may be thawed by allowing it to sit at room temperature for 15 minutes, and it may still be used if it has been thawed after being previously frozen.

Important Safety information for NARCAN® Nasal Spray

What is the most important information I should know about NARCAN® Nasal Spray?
NARCAN® Nasal Spray is used to temporarily reverse the effects of opioid medicines. The medicine in NARCAN® Nasal Spray has no effect in people who are not taking opioid medicines. Always carry NARCAN® Nasal Spray with you in case of an opioid overdose.

1. Use NARCAN® Nasal Spray right away if you or your caregiver think signs or symptoms of an opioid overdose are present, even if you are not sure, because an opioid overdose can cause severe injury or death. Signs and symptoms of an opioid overdose may include:
   • unusual sleepiness and you are not able to awaken the person with a loud voice or by rubbing firmly on the middle of their chest (sternum)
   • breathing problems including slow or shallow breathing in someone difficult to awaken or who looks like they are not breathing
the black circle in the center of the colored part of the eye (pupil) is very small, sometimes called "pinpoint pupils," in someone difficult to awaken

2. Family members, caregivers, or other people who may have to use NARCAN® Nasal Spray in an opioid overdose should know where NARCAN® Nasal Spray is stored and how to give NARCAN® Nasal Spray before an opioid overdose happens.

3. **Get emergency medical help right away after giving the first dose of NARCAN® Nasal Spray.** Rescue breathing or CPR (cardiopulmonary resuscitation) may be given while waiting for emergency medical help.

4. The signs and symptoms of an opioid overdose can return after NARCAN® Nasal Spray is given. If this happens, give another dose after 2 to 3 minutes using a new NARCAN® Nasal Spray device and watch the person closely until emergency help is received.

What should I tell my healthcare provider before using NARCAN® Nasal Spray?

Before using NARCAN® Nasal Spray, tell your healthcare provider about all of your medical conditions, including if you:

- have heart problems
- are pregnant or plan to become pregnant. Use of NARCAN® Nasal Spray may cause withdrawal symptoms in your unborn baby. Your unborn baby should be examined by a healthcare provider right away after you use NARCAN® Nasal Spray.
- are breastfeeding or plan to breastfeed. It is not known if NARCAN® Nasal Spray passes into your breast milk.

Tell your healthcare provider about the medicines you take, including prescription and over-the-counter medicines, drugs, vitamins, and herbal supplements.

What are the possible side effects of NARCAN® Nasal Spray?

**NARCAN® Nasal Spray may cause serious side effects, including:**

Sudden opioid withdrawal symptoms which can be severe. In someone who has been using opioids regularly, opioid withdrawal symptoms can happen suddenly after receiving NARCAN® Nasal Spray and may include:

- body aches
- diarrhea
- increased heart rate
- fever
- runny nose
- sneezing
- goose bumps
- sweating
- yawning
- nausea or vomiting
- nervousness
- restlessness or irritability
- shivering or trembling
- stomach cramping
- weakness
- increased blood pressure

Some patients may show aggressive behavior upon abrupt reversal of an opioid overdose. In infants under 4 weeks old who have been receiving opioids regularly, sudden opioid withdrawal may be life-threatening if not treated the right way. Signs and symptoms include: seizures, crying more than usual, and increased reflexes.

These are not all of the possible side effects of NARCAN® Nasal Spray. Call your doctor for medical advice about side effects. You may report side effects to the FDA at 1-800-FDA-1088 or [www.fda.gov/medwatch](http://www.fda.gov/medwatch).

Elemental Mercury Collection Program

Introduction

The Pennsylvania Department of Environmental Protection’s (DEP) mercury collection program accepts elemental mercury and mercury containing devices, such as barometers and switches, from private citizens, schools, and not-for-profit organizations. Elemental mercury is the pure liquid (silver) form of mercury, not mercury compounds or solutions such as mercuric chloride or methyl chloride.

Businesses or for-profit organizations looking for information on mercury recycling and disposal should contact the appropriate Regional Waste Management Program at a DEP Regional Office for follow-up.

DEP staff will not collect mercury thermostats. Residents who want to properly dispose of mercury thermostats should visit the Thermostat Recycling Corporation’s website at www.thermostat-recycle.org to search for a nearby collection location.

Safe Packaging Tips

DEP staff will only accept mercury for collection if it’s in a sound, sealed, and safe condition and if the quantity to be collected doesn’t require special transportation arrangements. To safely package mercury, follow these tips:

• Elemental mercury should be in a container designed for liquids such as a plastic bottle, reusable plastic food container, or glass jar with a tight-fitting lid.
• Unsound, unsealed, or broken mercury containing devices should be taped shut.
• Place the sealed container(s) of elemental mercury and/or mercury-containing devices into another sealable container such as an empty coffee can, reusable plastic food container, or jar with a tight-fitting lid.
• Refrain from transferring or pouring elemental mercury directly from one container into another container.
• Store the container in a cool, secure place away from occupied areas of your residence or building.
• Take digital photos of mercury containers to share with collection program responders.

Contact and Schedule

First, contact a local household hazardous waste collection program, if available in your home county. If there is no local program or the program does not collect mercury, contact your DEP Regional Office to arrange an appointment for pick-up. Do not transport mercury to a DEP office location.

Mercury Spills

Mercury is a heavy metal with unique chemical and physical properties that can exist as a liquid, vapor, or within a compound (e.g. methyl mercury). Exposure to mercury can negatively affect breathing and cause corrosive skin burns, birth defects, and central nervous system damage.

Mercury spills rarely present an imminent hazard unless the spill occurs in an area with extremely poor ventilation. The main exposure route of mercury is through vapor inhalation. If metallic mercury is not cleaned up adequately, the tiny droplets remaining in surface cracks and crevices may yield toxic vapors for years.

Plan ahead if you have mercury containing devices on your property by purchasing a mercury spill kit from a laboratory equipment supplier. Trusted links with specific guidance on small spill cleanup and a list of spill kit suppliers are provided below.

Typically, you can clean up a mercury spill of less than one gram, or about the amount contained in a single thermometer, on your own if you follow proper safety guidelines. Mercury spills more than one gram should be cleaned by a trained professional. Contact your local county emergency management agency and the 24-hour DEP emergency response hotline at: 1-800-541-2050 for further guidance, if a spill larger than one gram occurs or if in doubt. If someone has inhaled mercury vapors, call a Poison Control Center or 911 immediately.

External Training Programs
Autism Awareness Training Sessions

We want to do our part to prepare emergency responders for dealing with someone with Autism who is in an emergency situation. This is for police, fire and EMS.

Thursday September 15, 2022
315 Meetinghouse Road, Horsham PA

Session 1 0800-1200

Sponsored by Horsham Fire Company and Horsham Police Department
Autism and Emergency Responders
Seeing Beyond the Smoke

• 1 out of 58 Children are diagnosed with Autism (ASD Autism Spectrum Disorder)
  ***Those children grow up****

• Someone on the Spectrum is 7 times more likely to have an encounter with emergency services.

• Individuals with autism can't be identified by appearance. They look the same as anyone else. They're identified by their behavior.

• Are you ready?

Brian Focht
State Fire Academy Instructor
PA Dept of Health Paramedic
Parent of an Autistic Child
Learner Objectives:

- Recognize the traits of a person with an autism spectrum disorder
- Anticipate and be prepared for challenges associated with this population
- Increase interaction success
- Understand field-specific scenarios and know how to handle them appropriately
- Appreciate the need for, and implement, a modified search and rescue protocol for individuals with autism
- Use increased awareness to develop community partnerships with schools and families

Topics Covered:

- Overview of autism and it’s traits as it applies to emergency responders.
- Signs and symptoms
- Interaction guidelines (including approach, de-escalation, communication, assessment, interviewing, and transport strategies)
- Specific scenarios for first responders, fire, EMS, 911 operators, etc. (based on audience)
There is no cost for this training.
EMS Con Ed will be available
Covid Precautions at the time of event will be followed
To attend training please email your RSVP to Brian Focht CFPS, CFEI

Now Hiring
Paramedic

THE COMMUNITY
Cheltenham Township is first-class township, governed by a board of seven commissioners, one representing each of the Township's Wards, and guided by a Home Rule Charter. Its diverse population of over 37,000 enjoys the benefits of a suburban community with close proximity to Philadelphia, multiple business districts, two historic districts, and 25 park areas across 9 square miles.

A Township that was created in 1682 as part of Philadelphia County, Cheltenham is proud of its diversity and history and will continue operating in rich traditions, while striving to continue offering municipal services that maintain and enhance quality of life and neighborhood vibrancy.

THE ORGANIZATION
Cheltenham Township Emergency Medical Service started small in 1982, and now responds to over 3,000 calls for service per year using the latest Advanced Life Support (ALS) equipment. Under the direction of the Director of Emergency Medical Services (EMS), the role of the Paramedic is integral to the health and safety of persons in the Township and surrounding communities. Paramedics will respond to calls as dispatched and also be responsible for maintaining all department equipment to be in working order.
PHYSICAL DEMANDS

- Work rotating shifts, including weekends and holidays, plus on call as needed
- Possess good eye-hand coordination
- Stand; walk; climb; balance; bend; crouch; kneel; reach at all levels; sit; crawl; lift; carry, push, and pull up to 200 lbs.
- Able to frequently perform fine manipulation
- Possess visual acuity (near, mid, far field of vision, color vision, visual accommodation, and depth perception, frequently)
- Able to withstand exposure to weather, high noise levels, exhaust fumes, and bio-hazards, occasionally

THE POSITION

Essential duties and responsibilities for this position are as follows:

- Provide advanced life support (ALS) to patients in emergency situations.
- Handle first-aid equipment, vehicle controls, and victim(s).
- Completes equipment and vehicle checks and maintenance to maintain vehicle readiness.
- Charting and documentation of all patient contacts.
- Performs housekeeping functions as assigned to maintain a clean and healthy condition of the building and garage areas.
- Performs other related functions as required and assigned.

QUALIFICATIONS

- High School Diploma or equivalent
- Valid PA Driver’s License
- Understand and follow verbal instruction
- React calmly and rationally in emergency situations
- 911 experience preferred, not required
- Ability to make decisions quickly
- State Certified EVOC Course
- Work closely with others
- Must have Montgomery County Medical Command Status or obtain in three (3) months
- Certified PA Emergency Medical Technician - Paramedic Certification
- Certified in Red Cross or Heart Association CPR Basic Life Support
- Current ACLS & PALS, NIMS 100 & 700

EQUIPMENT

- Ambulance
- Stretcher
- Cardiac Monitor with 12 Lead, Defibrillation, and Pacing Capabilities
- Splinting Material, Bandages, Saline, Scissors
- Pulse Oximeter, Stethoscope, Blood Pressure Cuff
- Bag Valve Mask, Oxygen, Hot/Cold Packs
- PA Radio, Telecommunication Equipment, Office Implements, Mobile Data Terminal
Compensation and Benefits

The starting salary range for this position is competitive, depending on qualifications and experience. The Township offers a full range of employment benefits, including medical, dental, and vision plans, additional life and health insurance options, and paid vacation and sick time. Township residency is not required to apply for this position, but the hired candidate must reside in one of 20 approved surrounding municipalities approved by the Township Personnel Code, which include the City of Philadelphia and an approximately ten mile radius around the Township.

Application Process

This position will be open until filled.

Qualified candidates please submit cover letter and resume:
- Via email to rzienkowski@cheltenham-township.org, or
- By U.S. mail to:
  Robert Zienkowski, Township Manager
  Cheltenham Township Administration Building
  8230 Old York Rd.
  Elkins Park, PA 19027.

Cheltenham Township is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the township will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.
